Gift by Electronic Funds Transfer

Electronic Funds Transfer (EFT) is a giving option that allows you to give faithfully on a monthly basis without having to write a check every month. You ensure consistent, timely giving to the staff, intern or projects that you support. Your bank will automatically transfer the amount you specify each month. You'll still receive a tax receipt as well as a monthly record of your gift in your bank statement.

To start, fill out and sign the EFT authorization below and return this card with a check for your first month's contribution payable to *Engineering Ministries International*. You may cancel or change your agreement at any time by calling EMI at (719) 633-2078.

EFT Authorization

- I authorize an automatic Electronic Funds Transfer (EFT) from my bank each month. This authorization will remain in effect until I notify EMI that I wish to end this agreement, which I may do at any time. Enclosed is my gift by check for the first month made payable to *Engineering Ministries International*.

Please transfer my gift of \$ _____ on the 2nd or 16th of each month, beginning next month.
