

Give

With all that is happening at EMI, we need your involvement more than ever. Your monthly support of the EMI Fund will keep us building strong well into the future.

emiworld.org/give

Pray

Pray that God would call design professionals from across the world into the full-time ministry of EMI. This is our greatest need.

Go

Even though EMI mobilizes 300 professionals into strategic short-term mission each year, many teams go short-handed. Be part of the solution. Commit to a project team today!

Use your skills to serve!

Architects | Engineers | Surveyors | Construction Managers
designing a world of hope

Vision

People restored by God
and the world restored through design.

Mission

To develop people, design structures, and construct
facilities which serve communities and the Church.

Core Values

Hope

Engineering Ministries International (EMI) is a non-profit Christian development organization made up of architects, engineers, surveyors, and construction managers who use their skills to serve the least-reached worldwide. We design hospitals, schools, water systems, and many other facilities that enable our Christian ministry partners to fulfill their calling and transform their communities. Together we are designing a world of hope.
